DIRECTIONS

1. Please make a block or 2 or 3 or more... We are using mainly pink and yellow solids or tone on tone, with the goal of making a quilt out of each of the colors. The blocks could possibly end up as half square triangles for quilt assembly.
2. Start with a good size piece, with a straight side, add a piece and trim, and if it's too small, just add to it. Too large, slice it down. Very liberating! Block size should be no smaller than 10 inches square.
3. You will be happy if you trim and iron your seams as you go, so you end up with a fabric block that lays FLAT.

" May you be proud of the work that you do, the person you are and the difference you make. "
