

IMPROVISATIONAL PIECING

WITH SCOTT GRIFFIN

BASIC SEWING SUPPLIES:

- SEWING MACHINE
- EXTRA BOBBINS
- EXTRA MACHINE NEEDLES
- THREAD
- CUTTING MAT—24X36 IS IDEAL BUT ANY SIZE YOU CAN WORK WITH IS FINE
- ROTARY CUTTER (WITH A NEW BLADE)
- 18 TO 24 INCH RULER (ANY WIDTH)

FABRIC:

- CHOOSE 3 OR 4 DIFFERENT COLORS (1 YARD EACH OF THESE FABRICS)
- I PREFER TO WORK WITH SOLIDS BECAUSE THE SOLIDS LEND THEMSELVES TO A MORE COHESIVE PALLET WHEN WE ARE IMPROVE PIECING.
- TONE ON TONE WILL ALSO WORK FINE FOR SUBSTITUTING THE SOLIDS.
- BUSY PRINTS SHOULD BE AVOIDED.
