As a member of the VMQG, you are also part of the Modern Quilt Guild. In addition to your VMQG benefits, you have all the privileges of MQG membership:

- Membership card and pin
- Members only access to the MQG site
- Fabric challenges
- Patterns
- Early registration and discounts for QuiltCon, the MQG conference with a quilt show, classes, and lectures.

VMQG members may participate in all guild activities:

- Sew-ins – a time to get together with other members and sew.
- Challenges – stretch your quilting muscles by trying something new
- Swaps – exchange fabric or sewn objects with other members
- Community Outreach projects – quilt for a greater good
- Exhibits – show off your work in public

We happily welcome guests, but do ask after two visits you joining the guild. Your visits may be a combination of meetings and sew-ins. Come try us on for size!
