

SPECIAL EVENT!

This is the second edition basket quilt which was inspired by Kaffe Fassett fabrics.

On November 9, 2020, we will be featuring Alex Anderson, one of the most recognized professional quilters in the world! Alex is known for her bubbly personality as the host for many years of the show Simply Quilts, co-founder of The Quilt Show with Ricky Tims and The Quilt Life Magazine and is author of 30 books.

Alex is recipient of the 2008 Silver Star Award and designated by the readers of Quilter's Newsletter magazine (Feb 2009) as "The Most Influential Person in The Quilting Industry." Alex's personal mission is not only to share her love of quilting with anyone who will listen, but to educate and encourage those interested in quilting as clearly and simply as possible, so quilting can continue to be handed down from generation to generation. So please learn how to use your Zoom app, and join us in November for Alex Anderson.
